## Director's Letter

Dear Rosemead College Students:

We are pleased to report that Rosemead College will be returning to 100% in-person instruction beginning Fall 2023. The Student and Exchange Visitor Program (SEVP) has ended its Coronavirus Disease (COVID-19) guidance, as of May 11, 2023, consistent with the end of the COVID-19 Public Health Emergency and the COVID-19 National Emergency.

While the SEVP's COVID-19 guidance was terminated as of May 11th, active F-1 students who entered the country **before March 2020** were able to complete the 2022-23 academic year under the COVID-19 flexibilities through the summer 2023 quarter which will end on September 22, 2023.

Therefore, as per SEVP regulations, all Rosemead College F-1 students **must return to campus in the Fall.**

### **What does this mean for your registration for the 2023-24 academic year (beginning October 2, 2023)?**

- For F-1 students, this means you are required to enroll in and complete 18 clock hours a week with face-to-face (FTF)\* instruction.
- Students must maintain 80% attendance to maintain status and students who do not maintain 80% attendance may be terminated.
- If you plan to transfer to another institution, please contact the office immediately and **the last date to request a transfer will be September 29, 2023.**

Sincerely,

Sokha Bunly, DSO  
Associate Director
